

Nixon-Egli Equipment Co., Hamm and JB Paving & Engineering

Left & Below: JB Paving & Engineering using their new Hamm HD12 vibratory smooth drum roller from Nixon-Egli Equipment Co. to compact utility patch asphalt work.

JB Paving & Engineering is approaching their 20-year anniversary of providing the highest quality workmanship and standard of service in their industry. Owner, Jim Brothers has built a reputation for hard work and reliability over his past 45 plus years in the Industry.

Located in Yucaipa, JB Paving & Engineering proudly serves the entire Inland Empire and surrounding communities. They perform everything from driveway installations and improvements to parking lot installations, ADA compliance retrofitting services and utility patchwork. The company serves residential, commercial and industrial clients with asphalt and concrete installations and repairs, as well as hardscape construction. A high percentage of their work is with the Yucaipa Valley Water District, as well as performing trench-paving services for underground utility contractors.

JB Paving & Engineering owner, Jim Brothers, recently purchased his third Hamm vibratory smooth drum roller, a Hamm HD12, from Nixon-Egli Equipment Co. "I buy Hamm rollers because they are the best. I know that I can trust the brand, as they have proven to be extremely long lasting," says Brothers. "We are still utilizing our second Hamm roller and our new Hamm HD12 is perfect for the scope of our utility patching and small parking lot jobs."

Brothers has known his Nixon-Egli representative, Allen Hahn, for more than 30 years. "Allen has always been trust worthy and knowledgeable and I have always enjoyed dealing with him," says Brothers. "Nixon-Egli is conveniently located and they offer great parts and service support."
